

Dissemination: Talks and Presentations

Date	Presenter(s)	Topic	Sponsor
10/09/03	LeRoy Heinrichs	Learning Technologies for Clinical Clerkships in ObGyn	ObGyn Grand Rounds
11/21/03	LeRoy Heinrichs	Simulators for Surgical Procedures	American Association of Gynecological Laproscopy
4/18/04	Parvati Dev	Digital Anatomy	Federation of American Society of Experimental Biology
4/22/04	LeRoy Heinrichs	Need & Evaluation for Simulation in Training	Stanford Medical Informatics Colloquium
5/3/04	Parvati Dev, Maggie Saunders, Nancy Tierney	Creative Alliances Innovation in Education Requires Collaboration Across the Academic Medical Center	American Association of Medical Colleges – Group on Information Resources
5/25/04	LeRoy Heinrichs	The Why & How of Surgical Simulation	Mechanical Engineering Dept., Stanford University
6/22/04	Parvati Dev Pat Youngblood	Evaluation Research at SUMMIT	Stanford School of Medicine
7/1/04	Parvati Dev	Changing Learning Environments in Medicine	Stanford News Service
7/13/04	Parvati Dev	Changing Learning Environments in Medicine	World Bank
9/04/04	LeRoy Heinrichs	Learning Anatomy with Stereo Images	Workshop on Basic Anatomy & Laparoscopy, Keil, Germany

9/28/04	LeRoy Heinrichs	Presentation of Surgical Simulators	Society of Laparoscopic Surgeons
11/15/04	Parvati Dev	Research in Education	Center for Immersive and Simulation-based Learning Launch, Stanford School of Medicine
11/17/04	LeRoy Heinrichs	From Pegs `n Peppers to Computer-based Simulation	American Association of Gynecological Laproscopy
11/28/04	Parvati Dev Steve Senger	Immersive 3D Visualization & Collaboration of Anatomical Education	Radiological Society of North America
1/28/05	Parvati Dev, Steve Senger	The Visible Human and Digital Anatomy Learning Initiative	Medicine Meets Virtual Reality 2005
3/1/05	Parvati Dev Pauline Brutlag	Bringing elearning to International Health Education	International Health Course, Stanford University
4/14/05	Parvati Dev	Teaching with Technology	Radiology Retreat, Stanford School of Medicine
6/4/05	LeRoy Heinrichs	SUMMIT Research Collaborations	Biodesign Faculty Retreat, Stanford University
6/28/05	Parvati Dev	Virtual Patient	American Association of Medical Colleges – Group on Educational Affairs
9/14/05	LeRoy Heinrichs	Simulator Evaluation Report	Society for Laparoscopic Surgeons
10/23/05	Parvati Dev Pat Youngblood	<ul style="list-style-type: none"> • Simulation & Virtual Reality in Health Professions Education • Poster: Evaluating Simulation Technologies 	American Medical Informatics Association

10/23/05	Parvati Dev	Digital Human Workshop: Panel	American Medical Informatics Association
11/10/05	LeRoy Heinrichs	Simulator Research Project: A SLS-AAGL-SUMMIT Collaboration	American Association of Gynecological Laproscopy
11/17/05	Parvati Dev	Technology based Learning Environments (Lecture for Informatics course, Claremont College, Claremont, CAT
11/26/05	Parvati Dev Steve Senger LeRoy Heinrichs	Haptics and Visualization over Internet2 for Education	RSNA
11/30/05	Parvati Dev	Technology in Medical Learning	Songei Gandhi Post Graduate Institute, Lucknow, India
1/19/06	LeRoy Heinrichs	Improving Patient Safety & OR efficiency with Advanced Learning Technologies	Advanced Communication Institute
1/24/06	Parvati Dev	Digital Anatomy	Reacciu2, (Internet2), Caracas, Venezuela
2/9/06	Parvati Dev LeRoy Heinrichs Robert Cheng	Simulation in Learning	ACM SIGGRAPH Local Chapter
3/2/06	Parvati Dev	Conference on HealthGrids	TATRC-IRT at Wash DC
4/23/06	Margaret Krebs	Stereo Video Transmission with CSIRO	Collaboration Special Interest Group, Internet2
5/2/06	Craig Cornelius	SPRING Surgical Simulation	Bio X Community – SimBios, Stanford University

8/18/06	Parvati Dev	Changes in Medical Education: Impact of high performance networks	IEEE HealthComm 2006
9/6/06	LeRoy Heinrichs	SLS Surgical Proficiency Study	Society for Laparoscopic Surgeons
2/9/07	Parvati Dev Pat Youngblood LeRoy Heinrichs Craig Cornelius	A Durometer for Perception of Haptics	Medicine Meets Virtual Reality
4/17/07	Parvati Dev	Simulation in the Curriculum: Potential and Reality	Keynote at AAMC - WGEA
5/14/07	Parvati Dev	Training in Virtual Hospitals	Women in IT Workshop, Pasadena, CA
6/5/07	Parvati Dev	Fostering Academic Collaboration using Internet2 and telepresence technologies	Telepresence Conf @ San Diego
6/7/07	Parvati Dev	Models, Structured Information, and Publishing	Scholarly Publishing Conf in San Francisco
8/28/07	Parvati Dev Ken Waldron Steve Senger	Reverse Site Visit Presentation	National Library of Medicine
9/5/07	LeRoy Heinrichs	Simulator Workshop Laboratory	Society for Laparoscopic Surgeons
